

8th November 2024

Dear Families

We hope you all had a lovely half term break. Wasn't the weather lovely?

The preparations are well under way for Kemeneth. To help with the catering, do let us know how many people you are planning to bring along. We would love to see as many people as possible, bring your grannies etc.

We are looking forward to sharing your child's successes at the parent consultations next week. Please arrive promptly as each session is only 10 minutes long.

Puffins will be performing at The Shakespeare Festival at the Minack on Wednesday. Please do come along to support our children if you can, remember you do need a ticket, but they are free for most local postcodes.

### Exciting News!

We are delighted to welcome Mrs Rowe as a Teaching Assistant in Choughs class! Several families already know Mrs Rowe from her time at the Ark and Brambles nurseries. It's wonderful to see that her kind and gentle nature has set the Reception children at ease with her immediately.

### A bit about Mrs Rowe by Mrs Rowe

I have two children myself who are currently 8 and 9. In my free time I'm on the sideline supporting my son play football or taking my daughter horseriding. For myself I love beach walks and swimming.

I have enjoyed my first week at St Levan and have been made to feel very welcome!

**Attendance (YTD) = 95%**

Choughs = 96%

Puffins = 94%

# Music at St Levan

We are thrilled to see how much our children are enjoying the music lessons provided by Rachel (via the Cornwall Music Service Trust).

Rachel teaches in School on a Wednesday afternoon. Currently we have students from year 2 to year 6 learning either Piano or Violin.

If you would like more information please visit [CMST - Cornwall Music Service Trust](#)

## CMST nomination at St Levan School

Bertie was nominated by Rachel for CMST's Pupil of the Month before half term due to his hard work and enthusiasm for the piano and for what he has achieved in a relatively short amount of time since beginning the piano at the end of February 2024. The panel were very impressed with Bertie's focus and work ethic. Well done Bertie!
