

4th October 2024

Dear Families

Year 6 have been missed this week. They were out all day on Tuesday at Humphry Davy School and all day Thursday at Mounts Bay School. Good luck making your choices for secondary school!

We hope you enjoyed seeing your child's school photographs this week - so many of them look so grown up already!

We had some fantastic feedback from the catering staff at Heamoor School. They think our children have lovely manners. We think the catering staff are great too. We've enjoyed fabulous lasagne and pizza this week!

Choughs have had a lot of exciting visitors this week. On Tuesday parents and grandparents - and Mrs King(!) brought in their old toys. On Wednesday, George (St Levan bus driver) brought in his collection of toy buses. Everyone had great fun driving them all over the classroom.

Mr Hooper - we are delighted to announce that Mr Hooper is now a permanent member of the St Levan Team. He will be working with both Choughs and Puffins, focussing on PE and IT - please make sure your child always has suitable kit including shoes for PE!

Teaching Assistant - we are looking for a passionate, dedicated and enthusiastic Teaching Assistant to support Choughs. Please share the below link with anyone you think might be interested

Stars of the Week

Choughs: Edward - for a super start in Choughs! You have been trying your best - fantastic sitting and listening. Well done!
Puffins: Beau - incredible determination in writing & with your spellings. Well done!

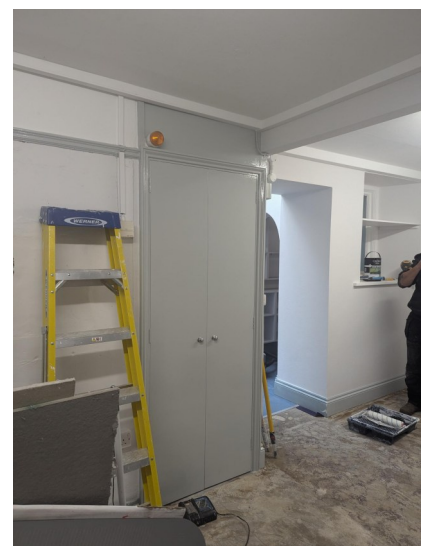

Attendance (YTD) = 95%

Choughs = 96%

Puffins = 95%

School Refurbishment

Work continues at St Levan!

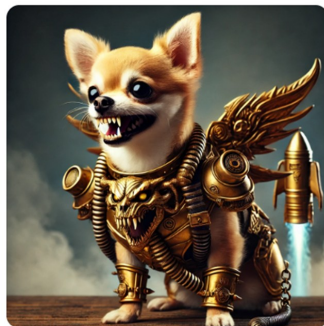

Impossible Creatures!

We have been reading *Impossible Creatures* by Katherine Rundell. It's a great book (so far) full of many marvellous beasts. Puffins were tasked with creating a description of their own 'Impossible Creature'. We then asked A.I. to read each description and create the corresponding creature. Here were the results!

Here is part of one of the descriptions. Can you match it to the creature?

The Glitter Sparrow is a tiny, magical creature that looks like a sparrow but its colour seems to swirl and dance like the cosmos. The Glitter Sparrow loves to hop and glide through the night sky and the only time you will see it is when there is a full moon. RT

Old Toys

On Tuesday, we had a wonderful afternoon with friends and family who very kindly brought their own old toys to share. We asked lots of questions about them to find out how they worked, how old they were and how they were made. There were a lot of threadbare bears, dolls, puppets, action figures, an etch-a-sketch and some mechanical toys too. Thank you so much to all of our special visitors!

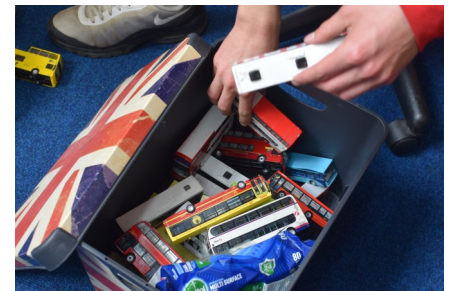

St Levan School Bus

We've been having lots of fun on the bus from St Levan!

Families have been arriving early in the fine weather and enjoying a game of football together before school. Well done Trudy for scoring the winning goal today!

Today is George's last day driving the bus - he is off the work in the sun for the winter! Thank you George for getting us safely to and from school each day - and thank you for bringing in some of your toy bus collection for Choughs to play with.

We are taking part in the

CAULIFLOWER

school fund raising

CHRISTMAS PROJECT

2024
