Trip – Heamoor Primary School

Dear Families

To help all children be familiar with their surroundings when we start our temporary residence in Heamoor, we have arranged for an exciting visit to the St Levan space at Heamoor School tomorrow (Wednesday 17th July).

We will be travelling there and back by Heamoor School minibus. The children will be given a brief tour of the space by their class teacher. You do not have to bring anything for the trip. The school day will start and end at St Levan at the normal time and lunch will be served as per usual.

Kind regards

The St Levan Team
