Monday 14th October 2024

Dear Families

Football: St Levan School at Trythall School – Wednesday 23rd October

There has been interest in playing football with other schools. We have provisionally arranged to play Trythall School next Wednesday (23rd October) after school. We need to gauge interest quite quickly to decide whether we should pursue this lovely opportunity.

If your child would like to participate, they would need to be collected from school at 3.15pm and taken to Trythall. Parents would have to remain at the school before taking their children home again at approximately 4.30pm. Mr Hooper would be present to facilitate the match, but parents would have to be responsible for their child/children.

If your child would like to play, please consent to the game via the school app by tomorrow at noon.

Kind regards

The St Levan Team
