

Dear parents of St Levan Primary School,

We are Shae-Love, Sophie, and Frida, drama students from the Royal Central School of Speech and Drama. From the 17th to the 21st of June we will be at St Levan delivering a series of drama, theatre and arts workshops for Key Stage 2 exploring the Stone Age, Bronze Age and Iron Age. In the workshops, the students will create characters, set, costume and pieces of performance about a village and how it develops through the three ages. The end product will be an immersive experience where they present this village. We would like to invite you to engage with their work at 14:15 to 15:15 on the 21st of June.

We're looking forward to seeing you!  
Shae-Love, Sophie and Frida
