Dear Families

Your child may have told you about the fun they have had learning a modern foreign language at school.

Choughs were learning Spanish last term. Puffins are learning French this term.

As part of our language offer, families are able to access Kidslingo games at home.

Please go to:

<https://www.kidslingo.co.uk/games/>

Select either Spanish or French.

Use the following password:

KLGames_Kidslingo_Winter24

We hope you have fun learning!

Best regards

The St Levan Team
