

10th May 2024

Dear Families

Another short week this week - but what a lovely week! The children have enjoyed lots of outdoor learning this week - Capoeira, Maths, treasure hunt, football and journal making.

Let's hope the good weather continues for the Choughs' performance at the Minack next week!

As mentioned above we do try to use our outdoor space as much as possible in the good weather, so please ensure your children have sunscreen on when they come to school and a sun hat at the ready.

Next week is SATS week - we wish our Year 6 the best of luck (although he doesn't need it - he'll be great)!

Watch out for a letter about our new school choir - everyone is invited - please clear your diary Tuesdays after school!

It is school census day next Thursday, where the government collect lots of data on schools. We will have a special menu on that day (see flyer at the end of the newsletter), please have a school lunch if you can - it helps with funding...

### Stars of the Week

Choughs: Taya - for making such an effort to wear your beautiful new glasses. You're doing brilliantly!

Puffins: Alanya - for superb attitude and determination at camp - well done!

### Attendance (YTD)

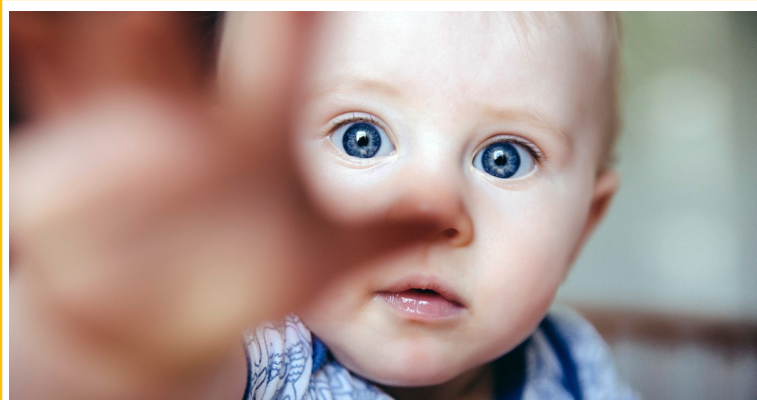

Whole school = 94%

Choughs = 92%

Puffins = 95%

## Prague Boys' Choir at Methodist Chapel

We were very lucky to be able to visit the Methodist chapel in Chapel Street, Penzance. We listened to the Prague Boys' Choir perform and joined in with some of their songs. We talked about the features of the church, noticing details like the stained glass windows, pulpit and organ. There were lots of crosses around the building and we particularly enjoyed admiring the ceiling and identifying plants and animals (like sweetcorn and cats!) in the ceiling roses. Thank you to the mums and dads who helped us get there!

## Baby photos

Thank you to everyone who has sent in baby photos for Choughs.

We have been talking about some of the ways we have changed since we were babies and reflecting upon our earliest

memories. We all really enjoyed seeing the pictures of each other when we were tiny! We are updating our baby photo display in Choughs so if you have not yet sent in pictures and would like to, it's not too late. Thank you!

# Times Table Time!

Puffins have been working hard learning their times tables. They have played games, timed how quickly they can write them out, tested each other and even tried tables beyond 12 x 12 (67 times table anyone?). We know that times table fluency supports many areas of Maths so securing these facts is hugely beneficial! Well done everyone!

Remember, we have Times Table Rock Star logins that you can use whenever you want at home! <https://trockstars.com/>

## Mount Batten!

A few more photos (video currently in production to be shown at some point before the end of term!) from our fabulous trip to Mount Batten. Thank you so much to all the children for conducting themselves so brilliantly and fully embracing the experience. Huge thanks as well to all the Mount Batten staff for going above and beyond at every step of the trip to ensure maximum enjoyment for all!

# JASON AND THE ARGONAUTS

**Create a play in a day!**

**Work with professional directors, choreographers,  
a musical director and makers to turn Jason's  
valiant journey into a play on the Minack stage!**

**June 22nd 10am  
Ages 7-11  
Performance 5pm  
Free to participants**
