13th December 2023

Dear Families,

Years 4, 5 & 6 Residential Trip - 2024

We have received a lot of feedback regarding the planned Heatree residential trip. We have held at least two previous trips to Heatree and they were wonderful. However, we always listen to feedback and want to make sure that every family is comfortable with arrangements for such a significant event. We have therefore decided to amend the trip.

We are now excited to announce a trip to Mount Batten Watersports & Activities Centre in Plymouth from Tuesday 30th April until Thursday 2nd May. We have visited this centre twice before and have had a wonderful time.

We understand there is an enormous amount of trust involved in school residential trips. As this will be a 'first' for some of our children, we would like to assure you that the highest health and safety precautions will be taken and appropriate risk assessments completed. We are with your children for the duration of the trip and work to ensure that their needs are met so that they may thoroughly enjoy and get the most out of their experiences. We will be staying in an allocated wing with dormitory-style bedrooms with bunkbeds. Further information and a full kit list will be sent out in the new year.

This is a fantastic opportunity which works to its fullest with the support and involvement of the whole class.

We would appreciate confirmation of your interest by Friday 12th January. It is reliant on Years 4, 5 and 6 being able to commit to the (heavily subsidised) cost which is £200 per child including transport. We are asking for a deposit of £50 to be paid on or before Friday 12th January. The whole amount needs to be paid by Friday 28th March.

Please indicate your interest by consenting to the trip via SchoolComms. Please pay your deposit and subsequent payments via SchoolComms.

If you have any concerns regarding the trip or the financial commitment, please do not hesitate to come and talk to us.

Yours sincerely

The St Levan Team
