10th January 2024

Dear Families

Following the announcement this week of our temporary relocation to Cape Cornwall School, we would like to thank all of you who have shown your support and understanding regarding the move so far. The children are certainly very excited.

As you know we are having a meeting on Tuesday 16th January 3pm-4pm to answer any of your questions regarding this project. To ensure that everyone's voice is heard we would request that if you have any questions that they are emailed in advance to Cassandra at secretary@st-levan.cornwall.sch.uk. The meeting will begin with a presentation from Cornwall Council followed by your questions. Further information will be forthcoming as the project develops. We are also able to inform you that the transport provided will run from St Levan Sports Pavilion to Cape Cornwall (times TBC) and the reverse at the end of the day. If you think you will need transport for this period, please can you send an email to Cassandra. This will help to ascertain the most appropriate transport.

May we also take this opportunity to let you know that in the continuing absence of the Headteacher, Cornwall Council have kindly provided us with some headship support for half a day a week. This will be Jodie Flynn who is the Headteacher at Heamoor School which, like St Levan, is also a part of Penwith Education Trust. We are really grateful for this support and are looking forward to working with Mrs Flynn.

Many thanks

The St Levan Team
