Wednesday 10th January 2024

Dear Families,

Read Write Inc Phonics for Parents Workshop: 18th January

On Thursday morning (**18th January**) there will be a phonics open session for parents. This is the second phonics session we have held this year – the previous workshop was in September. This session is aimed at those who were unable to attend last time but you are very welcome to join us again. It would be lovely if you did!

This is a valuable opportunity to find out more about how children are taught to read using phonics. Parents are encouraged to remain in school after drop-off and observe the first learning session of the day where the phonics learning process will be demonstrated and explained. Understanding the process will help you to support your child when reading at home. We will also talk about the books children bring home in book bags and the online videos that so many of you have been using over the past few months.

We are looking forward to seeing you in the classroom. Thank you for your support.

Yours sincerely

Miss Ferguson
