Dear Parents,

As we have reached our last day in our temporary home at Heamoor, I just wanted to say **thank you** for your support during this time of upheaval whilst our school was being worked on, it is very much appreciated.

It has been such a gift to have the St Levan children and staff at Heamoor for the past few months. My Heamoor Senior Leadership Team were treated to a brilliant presentation yesterday by Puffins Class where they expressed their gratitude and shared the (sometimes surprising) things that they will miss about their Heamoor home. I was also presented with a beautiful mosaic and it will always trigger fond memories of when St Levan came to stay! I know that the children and staff at Heamoor have really enjoyed it too and they are certainly going to miss them.

As we move towards the half term break, staff will be working hard over the next couple of days to move everything back to St Levan and begin to put the school back together again. Looking ahead to Monday 24th February, we are very much looking forward to welcoming you all back into school.

With this in mind, we would like to extend an invitation to come in for tea/coffee and cake after school on **Monday 24th February, from 3.15 – 4.15pm** and take an informal tour of the building to see the work that has been done. Please bear in mind that it will be early days in terms of classroom set up/displays etc. but you will be very welcome and it will be a lovely opportunity to have the school community together again.

Until then, I hope you have a very relaxed half term break.

Warm regards,
