Dear parent

Our school participates (along with 99% of other schools nationally) in the Child Health Programme which includes some health screening in Reception, Year 1 and Year 6.

Using the link below you can find out more details;

Year 6: <https://www.healthycornwall.org.uk/make-a-change/child-health-programme-year-6/>

School health checks are carried out on an 'opt out' basis. If you do not wish your child to have them, you need to 'opt out' by completing the form below. You can also let us know if your child has a medical condition which affects their height and weight.

If you are happy for your child to have these health checks, there is no need to contact us unless you are providing medical information.

Yours sincerely

Mark Francis
