

24th October 2024

Dear Families

What a lovely last week of the half term. An array of Choughs and Puffins had great fun at Trythall School playing football. Thank you Tristan for the coaching and half time oranges, Vickie for washing the kit, Billy for the post match hotdogs, Mr Hooper for facilitating, parents for supporting, the children for the entertainment and Trythall School for hosting us and their lovely children for great sportsmanship!

Remember it's an INSET day tomorrow. You can enjoy an extra day with your children while the teaching staff are polishing their skills at a teaching conference.

There will be a new menu to look forward to when we come back in November - we can't wait to sample Dave's chocolate custard!

The summer might seem a long time ago, but we were thrilled to recently receive a school certificate for completing the Summer Reading Challenge. Twelve pupils completed the challenge - that's a great number for our small school. Thank you Vicky at St Just Library for encouraging our children to have a love of reading!

Last but not least, Kemeneth is drawing near! If you've no idea what that is then make sure you turn over to the next page...

Stars of the Week

Choughs: Nancy - for brilliant sound blending & always trying your best in everything you do! What a fantastic start!

Puffins: Alice - for superb code writing using Turtle Logo!

Attendance (YTD) = 95%

Choughs = 96%

Puffins = 93%

Kemeneth

Friday November 15th
St Buryan Community House 4-8pm

This term has been different to any other that St Levan has ever known. As such, our normal calendar of events, such as our warm and wonderful Autumn Welcome Supper and Ceilidh; the Frighteningly Fantastic Halloween Disco; and the magical Christmas Happening are having a rest. But that doesn't mean we haven't been very busy organising an event to bring us all together in celebration of our amazing community!

We are excited to invite you to the very first

Kemeneth!

(which is the Cornish word for community)

An evening extravaganza of theatre, food, fun and dancing
for the joy of being a brilliant community! Something for everyone:

- The one and only, hilarious, Squashbox Theatre.
- The most delicious evening meal - Home Cooked Curry Night.
- Family Quiz (Thinking caps on!).
- Disco for all ages (Get those dancing shoes dusted off!).

This entire event will be hosted by the Friends of St Levan School, and we will only be asking for people to donate what you can on the night to help support our incredible school.

Please save the date for you and all the family.

Children/parents/grandparents/carers – we can't wait to see you see you all!

We will bring you more details after half term

Thank you,

Friends of St Levan School

Sewing

Choughs have been learning to sew. It turns out that sewing is really hard! We got in a right pickle variously and were literally tied up in knots. Miss Trembath was a hero and must have threaded about forty plastic needles, unravelled several miles of wool and tied or untied many hundreds of knots. Postman Pat now has lots of friends!

Football Match at Tythall School Wednesday 23th October

Thank you to all our players and supporters - including Ducky - can you spot him?

Roman Architecture

Puffins have been busy working with clay in art. They have studied Roman Architecture then used different techniques, such as slab and coil, to sculpt miniature versions of famous Roman buildings.
