

## ST LEVAN PRIMARY SCHOOL

### PHOTOGRAPHIC CONSENT FORM September 2023

To comply with the General Data Protection Regulations (GDPR), we need your permission before we can photograph or make any recordings of your child. Please answer the questions below, then sign and date the form where shown and return the completed form to the school office.

Your child's image will be used on the school's Management Information System (SIMS) and by school catering for identification purposes only in line with our privacy notice. We are asking for your consent to use your child's image for other purposes in the school. The information in this form will be used throughout your child's time at school and for one year after they leave. The consent will automatically expire after this time. You may withdraw your consent at any time by making a request, in writing, to the school office.

Occasionally, we may take photographs of the children at our school. We may use these images as part of our school displays and sometimes in printed publications that we produce. We will also use them on our school website, and Twitter account.

If we use photographs of individual pupils, we will not use the name of that child in the accompanying text or photo caption. If we name a pupil in the text, we will not use a photograph of that child to accompany the article.

*You can withdraw your consent at any time by writing to the school.*
