Tuesday 8th October 2024

Dear Families

Choughs will be visiting Penlee House Gallery on Wednesday 16th October. This is part of our old toys topic in which we have been finding out about toys today and those from the past. We hope to extend our knowledge by exploring old toys at Penlee where we will be handling a number of Victorian toys from the museum's collection and talking about the similarities and differences between them as well as what the toys are made of. We will also be sketching our favourites.

Could you please ensure that your child comes to school with a water bottle and coat on Wednesday. We will be travelling to Penlee on the minibus shortly after registration in the morning and will be returning to school before lunch.

We politely request a donation of £4 per child (via the school app) to help cover the cost of transport and the workshop.

Kind regards

Miss Ferguson
