8th November 2024

Dear Families

Our school participates (along with most other schools nationally) in the Child Health Programme which includes some health screening in Reception, Year 1 and Year 6.

Using the links below you can find out more details:

[2024 Child Health Programme - Reception Year - Healthy Cornwall](#)

[2024 Child Health Programme - Year 6 - Healthy Cornwall](#)

All school health checks are operated on an 'opt out' basis and your child will receive screening unless you return a completed opt out form (see below). Important: Opt outs may take up to 5 working days to process.

[Parental Opt-Out Form: Reception - Vision Screening | Let's Talk Cornwall](#)

[Parental Opt-Out Form: Year 1 - Hearing Screening | Let's Talk Cornwall](#)

[Parental Opt-Out Form: Reception - Weighing and Measuring | Let's Talk Cornwall](#)

[Parental Opt-Out Form: Year 6 - Weighing and Measuring | Let's Talk Cornwall](#)

If you are happy for your child to have these health checks, there is no need to contact us unless you are providing medical information.

Yours sincerely

The St Levan Team
