

12th February 2025

Dear Families

That's another half-term done!

This week, year 5 & 6 have been busy with Bikeability. They have been practising in the playground and, this afternoon, they will be out on the roads!

Choughs have had great fun enacting the battle between the Chinese and the Mongols - it looked bonkers!

This morning, those on the St Levan Bus had a fantastic time playing football and then warmed up with some hot pastries and hot chocolate - thank you Tristan for the football and Paul for the breakfast!

Our time at Heamoor has been great. We were a little worried when we started, as we needed to learn to do things a little differently. But once settled in, we enjoyed our time here. In assembly on Monday, the children talked about many things they were going to miss about Heamoor.

Today we say goodbye to the Heamoor Team...

Thank you Lorna and Dave for driving the buses!

Thank you Margaret for standing outside to wave at the bus - every day!

Thank you Dave, Mrs Nicholls and Mrs Ellis for the delicious lunches!

Thank you Pete for fixing everything that broke in our classrooms!

Thank you Mrs Nicholls and Mrs Steer for bringing late arrivals and missing lunches to us!

Thank you to all the staff at Heamoor for sharing your space with us and making us feel so welcome!

Thank you Mrs Flynn for making all the arrangements!

Stars of the Week

Choughs: Kristupas - for outstanding determination & perseverance.
You've read all the red words in under three minutes. Well done!

Puffins: Regan - for incredible determination with letter formation in handwriting, great focus finding fractions of amounts and super inferences in reading!

Great Wall of China

We have been learning about the history of the Great Wall, why it was built and how. Did you know that, in places, sticky rice was used like a glue to hold the wall together? According to legend, a dragon breathed fire to show where the Great Wall should be built.

After finding out fascinating facts, we built our own walls and defended them against the invading Mongol army. Chaos ensued!

Our final week!

Should I keep my child off school?

Yes

Until...

Chickenpox	at least 5 days from the onset of the rash and until all blisters have crusted over
Diarrhoea and Vomiting	48 hours after their last episode
Cold and Flu-like illness (including COVID-19)	they no longer have a high temperature and feel well enough to attend. Follow the national guidance if they've tested positive for COVID-19.
Impetigo	their sores have crusted and healed, or 48 hours after they started antibiotics
Measles	4 days after the rash first appeared
Mumps	5 days after the swelling started
Scabies	they've had their first treatment
Scarlet Fever	24 hours after they started taking antibiotics
Whooping Cough	48 hours after they started taking antibiotics

No

but make sure you let their school or nursery know about...

Hand, foot and mouth	Glandular fever
Head lice	Tonsillitis
Threadworms	Slapped cheek
