Lafrowda – Going Underground!

Dear Families

Procession - arrive 11.45am at the Nancherrow Centre

Singing / Ukulele – arrive 1pm (straight after the procession) at the Plen-an-Gwarry

The Lafrowda procession will take place at noon on Saturday 20th July in St Just. Under the guidance of local artist Billy Wynter, the children have made a fabulous Mole sculpture. Please help us to show off our creation and our wonderful school by having a huge turnout to the event. The children will have hats and paws to make them look like moles. Please can they wear black or brown (maybe smeared with mud!). Please can adults wear black or earthy colours, preferably with black hats too. Please meet outside the Nancherrow Centre at 11.45am in time for the procession to start at noon. After the procession we will be singing on the Plen-an-Gwarry stage at 1.05pm for 20 minutes. Your children always light up the stage (witness the recent amazing performances at the Minack and the music festival!), so please do join us for the singing and ukulele playing. John Brolly will be leading the singing – and playing the guitar. Richard Blackborow will be leading the ukuleles.

We look forward to seeing you there!

Kind regards

The St Levan Team
