

28th February 2025

Dear Families

Isn't it lovely to be back!

We really enjoyed welcoming you all to have a look around the site after school on Monday. Thank you to the Friends who provided delicious tea and cake.

Talking of delicious...

We are thrilled to announce that Steve Fletcher has joined the small but perfectly formed St Levan Team.

Steve used to live and work in France where he spent his days cooking, surfing and generally enjoying the French way of life. In recent years he has been the Chef at St Wenn School, so is well used to cooking food that children love!

Steve has had a busy week sorting through items in the kitchen and putting in orders for equipment and supplies. We have bought new plates and cutlery - no more plastic trays!

Friends have kindly provided a lovely Red Magimix, to brighten up the kitchen and the food on the plates - thank you Friends!

Now Steve just needs to create something delicious (and nutritious) to put on the menu. We are keeping things simple for the first week, whilst we get to grips with the new kitchen equipment. All lunches are priced at £2.50 (free for KS1 and FSM pupils). Turn over to see the menu!

Choughs are certainly pleased to be back - **100% attendance this week!**

Stars of the Week

The Staff for moving everything back to St Levan. In particular Miss Trembath who has humped all sorts of stuff all around the site!

Attendance (Year To Date)

93%

Choughs = 92%

Puffins = 94%

Please join your classmates eating the delicious menu.
 All prepared and cooked on the premises by Steve!

Monday	Jacket potato Beans & cheese (v) with coleslaw	Oat cookie
Tuesday	Lasagne Lentil lasagne (v) with cucumber and carrot sticks	Carrot cake
Wednesday St Piran's Day	Chef's homemade Cornish pasties Chef's homemade Cheese pasties with salad and slaw	Hevva cake
Thursday	Macaroni cheese with vegetables	Pineapple pudding
Friday	Chef's homemade Swedish style (beef) meatballs Chef's homemade Bean meatballs with pasta or rice	Chocolate and beetroot brownie

Painting

In Choughs, we have celebrated our return to St Levan by doing loads and loads of art. We have learned how to make shades by mixing black with a colour and tints by mixing white. We also tried a bit of Pointillism, inspired by George Seurat. Everything that we have learned will help us with a finished piece of Chinese art featuring bamboo, pandas and cherry blossom.

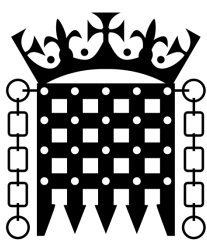

Parliament Comes to St Levan!

On Wednesday, we had a **very important visitor** in school – **Tom** from the UK **Parliament Outreach team!** They arrived with a mission: to teach us all about how Parliament works, how laws are made and the important jobs people do in the House of Commons and the House of Lords.

We discovered that making laws isn't as simple as just saying, "**This should be a rule!**" Oh no! There are **lots of debates, discussions and votes** before anything becomes official.

We also found out about the different roles people have in Parliament. From **Members of Parliament (MPs)** to **the Speaker, Lords and even Black Rod** (who has the very important job of knocking on doors during ceremonies!). There are **so many different jobs** that help keep the country running smoothly.

It was a brilliant session and we all left feeling like future politicians, law-makers and knowing that we can vote in general elections from 18!

If your parents ask what you learned today, you can confidently say, "**How to run a country!**"
